Last Updated: February 19, 2026

Introduction

Welcome to Million Level Clicker ("we," "our," or "us"). We are committed to protecting your privacy. This Privacy Policy explains how we handle information in connection with our mobile game application.

Information We Don't Collect

We do not collect, store, transmit, or share any personal data or user information.

Million Level Clicker operates entirely on your device. All game data, including:

- Game progress and levels
- Weapon unlocks and upgrades
- Currency and statistics
- Settings and preferences
- Save files

...is stored **locally on your device only** and is never transmitted to us or any third party.

No User Accounts

Million Level Clicker does not require you to create an account, provide an email address, or share any personal information to play the game.

No Analytics or Tracking

We do not use:

- Analytics services
- Tracking cookies
- Advertising identifiers
- Usage statistics collection
- Crash reporting services that collect personal data

Local Storage Only

All game data is stored locally on your device using your device's native storage capabilities. This data:

- Remains on your device
- Is not accessible to us
- Is not backed up to our servers
- Is deleted when you uninstall the app

Third-Party Services

Million Level Clicker does not integrate with any third-party services, social media platforms, or advertising networks.

Children's Privacy

Because we do not collect any data, Million Level Clicker is safe for users of all ages, including children under 13. We do not knowingly collect personal information from anyone.

Data Security

Since we do not collect or transmit any data, there is no risk of your personal information being compromised through our app.

Your Rights

Since we do not collect any personal data:

- There is no data to access
- There is no data to delete
- There is no data to correct
- There is no data to port

You have complete control over your game data by managing it through your device's storage settings.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be reflected by updating the "Last Updated" date at the top of this policy. Continued use of the app after changes constitutes acceptance of the updated policy.
